Write a story from this prompt.

You discover a ghost from another time stuck inside the mirror that hangs in your hallway. It begs you to release it from the mirror. What do you do?

A line drawing of a smiling cartoon character wearing a graduation cap, positioned on the right side of a page with horizontal lines. The character has a round face, large eyes, and a wide smile. It is wearing a traditional mortarboard cap. The drawing is simple, using only black outlines on a white background. The character is facing slightly to the left but looking towards the viewer. The horizontal lines on the page are evenly spaced and extend across the width of the page, with the character's head and cap overlapping the lines on the right side.
