Bella the Monster at the School

Bella was a small purple monster who lived near a school. Every morning, she watched the children play outside. Bella wanted to make friends, but she was too shy to say hello.

One day, Bella saw a little girl named Emma drop her lunch box. Bella quickly picked it up and gave it back to Emma. Emma smiled and thanked Bella.

Soon, the other children came over to meet Bella. They played tag, shared snacks, and laughed together. Bella was happy because she finally had new friends.
