Imagine You Are the President!

If you were President of the United States, you would have many important responsibilities.
You would make decisions, work with other leaders, and help solve problems.

1. If I were President, my first goal would be:

2. One problem I would try to solve is:

3. I would help children by:

4. I would help my community by:

5. I would make this new rule:
