Pip the Porcupine

STORY

WORD COUNT

Pip was a tiny porcupine who loved hugs.	8
But Pip had very sharp quills on his back.	17
He was afraid of poking his forest friends.	25
Whenever Pip got close to a little rabbit,	33
his quills would accidentally prick their soft fur.	41
This made the animals run away from Pip.	49
Poor Pip felt very sad and sat all alone.	58
Then, his wise grandmother came to talk to him.	67
She showed Pip how to flatten his sharp quills.	76
Pip practiced every day to keep them flat and safe.	86
Soon, Pip could hug his friends without hurting them.	95
He was so happy to play with everyone again!	104
