Name: Date:

THE LITTLE OWL

Ollie is a little owl who lives in a tall tree. He has big round eyes and soft brown feathers. Every night, Ollie flies around the forest and looks for food. He likes to sit on a quiet branch and watch the stars.

One night, Ollie sees a small mouse near a bush. He flies down quietly and catches the mouse. Then, Ollie flies back to his tree. He feels happy because he has found his dinner.

Questions:

1. Where does Ollie live?

2. What color are Ollie's feathers?

3. When does Ollie fly around the forest?

4. What animal does Ollie see near the bush?

5. Why does Ollie feel happy?
