Christmas Cookies

Mia helped her mother bake Christmas cookies. They mixed flour, sugar, butter, and eggs in a big bowl. Then, they used star and Christmas tree cutters to make the cookies.

After baking, the cookies smelled delicious. Mia decorated them with red and green icing. She put some cookies on a plate for her family and saved a few for her grandparents.

Questions:

1. Who helped Mia bake cookies?

2. What ingredients did they mix?

3. What shapes did they make?

4. What colors of icing did Mia use?

5. Who would get some of the cookies?
